IN THE CLAIMS:

The status and content of each claim follows. No amendments are made by the present

paper.

1. (previously presented) A method for storing handwritten writings, said method comprising storing said handwritten writings on a piece of furniture, wherein said furniture comprises a member comprising a surface of a material used to construct said furniture that is configured to permanently receive said handwritten writings.

2. (original) The method of claim 1, further comprising preparing said member with markings to facilitate placement of said writings on said member.

3. (original) The method of claim 2, further comprising moving said member from a retracted position to an exposed position prior to storing said writings.

4. (previously presented) The method of claim 3, wherein said member comprises a plank.

5. (previously presented) The method of claim 4, wherein said moving said member comprises sliding said plank to said exposed position.
